| 1-9 Colonies   | \$10  |
| 10-50 Colonies | \$100 |
| 51+ Colonies   | \$250 |

Broker Fee \$250

\*Colony counts based on 2024 totals

## Remember:

- Registration is due by January 1, 2025 and is required in each county where you have bees.
- Due to pending regulatory changes, registration fees will be paid when the regulations are final, which is anticipated for January 1, 2025.
- Email notification will be sent when you can pay online through the BeeWhere website.
- Payment is made once annually, regardless of whether your hives are located in multiple counties.
- Update your hive locations when you register, and keep them up to date when you move them.
- All unregistered beekeepers will NOT be included in Bee Check Reports following January 1, 2025.
- Bee brokers pay a brokerage fee **plus** registration fees for any individual beekeepers they are brokering, when registration fees are not paid by the owner.
- All hives are required to be registered. This includes bees here for only seasonal pollination services.
- Hive locations are kept confidential.
- Contact the County Agricultural Commissioner's Office where you are registering hives for additional information.
